FESTIVALS

**THE FESTIVAL EXPERIENCE
IS LIKE NONE OTHER.**

A GATHERING OF PEOPLE WHO SHARE A COMMON PASSION.

THE BIGGEST NAMES IN MUSIC MIXED
WITH ARTISTS ON THE RISE.

AN ESCAPE FROM EVERYDAY LIFE.

A PLACE TO CREATE MEMORIES WITH YOUR
FRIENDS THAT WILL LAST A LIFETIME.

AS THE **GLOBAL LEADER** IN MUSIC FESTIVALS, LIVE NATION HAS CREATED A NETWORK OF MULTI-DAY EVENTS IN THE U.S. THAT OFFERS SOMETHING FOR **EVERY WALK OF LIFE.**

25+ FESTIVALS. **1000+** ARTISTS & BANDS. **MILLIONS** OF FANS.

"**Sasquatch!** remains a kind of far-off indie rock utopia. You know it's special from the moment you round that first corner and see the canyonscape unfold around the main stage amphitheatre. You will give it up for mother nature."

WIRED

"**Jamboree In The Hills** proves to be intoxicating!"

Pittsburgh Post-Gazette

"The **HARD Summer Music Festival** was a smashing success and a blur of bright lights, outrageous outfits and brilliant stage productions."

SPIN

"Move over Bonnaroo, Coachella, and Electric Forest, **Faster Horses** is moving in."

mlive

"The **Voodoo Music + Arts Experience** is bringing a European music festival experience to New Orleans, with overnight tent camping and more Euro-dance-based acts to its stage."

Rolling Stone

"We can officially stop wondering if **Music Midtown** is back. If you have a sold out crowd then yes, it's an unqualified success."

ajc The Atlanta Journal-Constitution

THE MEDIA BUZZ

THE ARTIST BUZZ

"They know how to get a really unique thing going on besides just putting music on a stage. The fans' experience is total. So anything they want to do, I'm on board with, and if I'm a betting man I put money on **Faster Horses** being one of the coolest festivals around."

Dierks Bentley

"I would almost compare **EDC Vegas** to Woodstock. It's no longer just an EDM event, it's like a cultural movement. It's that big, it's really remarkable."

ARMIN
VAN BUUREN

"It's (**Wanee Festival**) our baby and, boy, has she grown. We've been there, of course, since the beginning and we've watched it get bigger and bigger each year. You feel pretty much at home up there and the audience there has that same, good old energy they always give off."

—Gregg Allman,

*Gregg Allman
& Brothers
Band*

"I have heard about the show (**Music Midtown**) for years. This is the city that it all started in, so I'm proud to be part of bringing it back. I think it gets bigger and better every time."

LUDACRIS

"To have 40, 60 thousand people kind of vibing all at once and kind of putting their fists up in the air at once, there is something really fun about that."

—Perry Farrell, regarding **EDC** events
